A4D

INTRODUCING THE A4D

The A4D is used extensively as a general purpose people mover in gated communities, caravan & lifestyle resorts, theme parks and retirement villages. The forward facing rear seat adds an element of security and inclusion for passengers, particularly the elderly, infirm and children. Fitted with an optional launcher style 4 bag rack the A4D is an ideal foursomes golf buggy reducing course congestion and operating costs for smaller resort style golf courses.
